

## LAMP CRL Proposal 2019

Proposer: Liladhar R. Pendse, Librarian for the Caribbean and Latin American Collections, Doe Library, UC Berkeley

Email: [Lpendse@library.berkeley.edu](mailto:Lpendse@library.berkeley.edu)

Library: Doe Library, University of California

Title: *Fantoches* (Caracas, Venezuela)

Date of Initial Proposal: December 20, 2018

### Introduction and rationale:

This proposal is for either the LAMP sponsored digitization or microfilming of a Venezuelan journal- *Fantoches*. Doe Library of UC Berkeley holds *Fantoches*. We purchased the journal in late 2018, and the library's holdings are as follows:

The following issues are bound in three folio-size volumes.

Main (Gardner) Stacks fAP63 .F36 no.41-90 (May 6, 1924-Apr 14, 1925)

Main (Gardner) Stacks fAP63 .F36 no.91-142 (Apr 23, 1925-Apr 15,1926)

Main (Gardner) Stacks fAP63 .F36 no.143-195 (Apr 22, 1926-Apr 20, 1927) .

Currently, per Worldcat in the United States, we are the only library has these issues (OCLC: 751773779).

The second library with the holding is the British Library (See:

[http://primocat.bl.uk/F?func=direct&local\\_base=ITEMV&doc\\_number=013939589&con\\_lng=e](http://primocat.bl.uk/F?func=direct&local_base=ITEMV&doc_number=013939589&con_lng=e) ) The BL has only the issue no. 707 for 4th November 1939 of *Fantoches*).

Our record can be accessed here: <http://oskicat.berkeley.edu/record=b24731384~S58>

### Background

In her article entitled “Leoncio Martínez un personaje que marcó pauta en la disidencia,” Omaira Zambrano Roa provides a survey of literary works that were edited by a luminary Venezuelan editor and literary figure Leoncio Martinez. Leoncio Martinez used satire as a tool to point out the effects of the dictatorship of Juan Vicente Gomez and others on the Venezuelan society of

the time.<sup>1</sup> Leoncio Martínez founded the weekly satirical journal, "Fantoques" in Caracas in 1923. The journal ceased in 1941. The general discourse of Fantoques was similar to the critical introspection of the society under the dictatorship that his previous periodical- Pittoreos depicts.

<sup>2</sup>He founded Fantoques in collaboration with another literary figure- Francisco Pimental (Job Pim). Before taking on a role as a chief editor and a caricaturist, he edited several Venezuelan journals like El Cojo Ilustrado (1908)(<http://catalog.crl.edu/record=b2886059~S1>), La Voz del Pueblo, El Nuevo Diario (1913) La Linterna Mágica y Pitorreos (1918).<sup>3</sup>

### **Pagination and Size**

The three large volumes are unpaginated.

The size is as follows,

The pages are 31 (width) x 45 (height) cm.

That's 12 ¼ inches (width) x 17 ¾ inch (height)

The record gives 47 cm for issues in binding (see: <http://oskicat.berkeley.edu/record=b24731384~S1>).

The total page count is 2200. I include the detailed inventory of the pages as a part of the appendices along with images that give an idea about the state of this journal. The pages are yellowing yet flexible. The text block is intact throughout these three volumes.

### **Intellectual Property related discussion**

As due diligence dictates, I provide a cursory copyright-related survey of what I have found out. This survey is not a legal opinion. Venezuela's copyright law has several reproduction-related exceptions for the libraries. Chapter 2 of the 1993 Venezuelan code on copyright provides these exceptions (see: page 12 here <https://wipolex.wipo.int/en/text/130135>). I cite two of such exceptions below:
