

Mercurio (Santiago, Chile)

Description and Rationale

Title

Mercurio (Santiago, Chile)

Project Description*

The proposed project tries to fill in the missing microfilm holdings of Mercurio at CRL.

CRL already holds many reels of El Mercurio. See: OCLC No. 13486931

2413676 5375287

<http://catalog.crl.edu/record=b1392118~S1>

CRL already has holdings of most of the issues, but there are several missing issues. This project will allow CRL to fill its gaps.

Reasons for Consideration*

The CRL holdings are missing the microfilms of the issues for the following dates:

- 1991: Nov-Dec. 15;
- 1996: Oct. 21-1997.

The UC Berkeley Library has issues that can be used for the microfilming project.
